Go Beyond Ordinary.

Deckorators provides lifestyle-enhancing products that personalize and accessorize your decking and railing. The pioneering spirit behind our brand keeps us on the leading edge of design innovation. As the first name in quality and selection, Deckorators will be your brand of choice for your entire decking project, creating an outdoor space as unique as you.

It’s a reputation we’re proud to stand behind. That’s why Deckorators products are backed by some of the best warranties in the industry.

Beyond all this, we also offer the tools to inspire you. At Deckorators.com, gather ideas from our photo gallery, then create your own virtual deck using our Deck Visualizer. Check out tips and tricks on Deckorators.com/blog and YouTube. And don’t forget to follow us on Pinterest, Twitter and Facebook, too.

Love what you see? We’ve vetted a list of local contractors—just for you. Locate the best, most reliable, qualified contractors in your area at Deckorators.com.
Inside You’ll Find:

Decking
PAGES 4-7
Deckorators proudly introduces a new line of decking products for 2015, all backed by our 25-year structural, stain and fade, and removal and replacement warranties.

Railing
PAGES 8-13
Deckorators railing systems are compatible with most Deckorators balusters and accessories, offering unmatched design flexibility.

Balusters
PAGES 14-15
Deckorators is the pioneer in baluster styling. We now offer more than 40 options in the sizes, colors and finishes to personalize your outdoor décor.

Accessories
PAGES 16-17
Deckorators innovative accessories coordinate perfectly with our railings and balusters.

Post Caps
PAGES 18-20
Deckorators offers more post cap styles than any other brand – more than 70 options with a wide variety of base materials to choose from.

Lighting
PAGES 24-26
Deckorators extensive lighting selection includes low voltage and solar options for post caps, baluster lights and recessed lighting.

Lattice
PAGE 27
Deckorators lattice is versatile and sturdy. Our new paintable lattice allows you to match your lattice to your indoor and outdoor spaces.

Warranties

Decking and CXT Railing
- 25-year structural
- 25-year stain and fade
- 25-year removal and replacement

ALX Railing and Balusters
- Lifetime limited on manufacturing defects and powder-coating
- 25-year removal and replacement

Deckorators products are backed by an industry-leading warranty. Our new 25-year removal and replacement warranty is the first of its kind. We have you covered.
Decking has arrived.

Deckorators decking is the next progression in composite technology. Our unique Strandex® extrusion process results in a stronger and more reliable deck board. By capping our board with some of the most durable polymer technology available, and embossing it with a realistic vertical woodgrain pattern, Deckorators decking provides an ultra-durable, ultra low-maintenance product that’s the perfect combination of strength and style. Going beyond the ordinary is what Deckorators is known for and it’s why our decking warranty is the industry’s best: 25-year structural, 25-year stain & fade and 25-year removal & replacement. Offering various style and color options that range from transitional to rustic, Deckorators decking truly is beyond ordinary.

DECKORATORS CLASSIC™ DECKING
For a traditional look, our solid color board features all the performance you expect from an ultra low-maintenance, capped composite deck board.

DECKORATORS VISTA™ DECKING
Variegated boards give the look of tropical hardwood with the performance of composite.

DECKORATORS HERITAGE™ DECKING
A weathered look and enhanced grain pattern accentuates the rustic undertones of our Heritage colors.

Hidden Fasteners
The Stowaway™ Hidden Fastener discreetly secures deck boards to joists with a single stainless steel, color-matched screw. The Stowaway screw comes preloaded, making the installation process faster, saving time and money. This system results in a beautiful, smooth and virtually fastener-free deck surface. Deck boards are automatically spaced at proper intervals, and the need for predrilling and countersinking are eliminated.

Deck Board Profiles
Slotted-edge decking gives an undisturbed, fastener-free appearance to the surface of your Deckorators board. The Stowaway fastener system correctly spaces your decking during installation to speed up the process. The solid-edge board is perfect for use when board edges are visible, such as a picture-frame boards and stair treads. Solid boards should be facemounted with composite wood deck screws.
Deckorators Classic™

Deckorators Classic Series offers traditional style and colors with the beauty of owning ultra low-maintenance decking. Available in 4 classic colors, gray, cedar, redwood and walnut, with a rich, vertical, embossed woodgrain pattern, these timeless designs are the perfect way to make the most of your outdoor living space. Backed by our 25/25/25 limited warranty, the personal touch you put on your deck is guaranteed to last.
Deckorators Vista™

The variegated colors of our Vista decking offer a destination feel for your backyard. Vista features the same embossing pattern as the Classic series for ultra-low maintenance. Available in slotted and solid boards and in four colors, Ashwood, Sandalwood, Rosewood and Kingwood, like all our decking, it’s backed by our outstanding 25/25/25 limited warranty.
Deckorators Heritage™

With unique variegation and an enhanced grain pattern, Deckorators Heritage provides a one-of-a-kind look for composite decking. Capped on three sides for an ultra low-maintenance surface and durable performance, it's offered in two colors: Milled Maple and Barrel-aged Oak. Both slotted- and solid-edge profiles are available, backed by our 25/25/25 limited warranty.
GET THIS LOOK  Deckorators Classic™ Cedar decking with white CXT Classic railing, white Estate balusters and beige Stacked Stone postcovers with copper postcover caps.
Customized railing options.

CXT Railing System

Our co-extruded rails are made from two layers of scratch- and weather-resistant materials. CXT composite railing offers ultra-durable, ultra-low maintenance beauty and performance with the look of real painted wood—all while boasting our 25-year structural, stain & fade, and removal & replacement warranties. Its compatibility with most Deckorators balusters and accessories offers a customized railing system you can call your own.

ALX Railing System

Featuring two railing profiles made of heavy-gauge aluminum with a thick powder-coated finish, Deckorators aluminum railings offer great looks and long-lasting performance—all backed by a lifetime limited warranty on manufacturing defects and powder coating and a 25-year removal & replacement warranty.
CXT Classic and Architectural Railing

For unmatched versatility, use a Classic rail alone to create a timeless look, or add a second rail for a more robust Architectural style. Available in three colors (white, black and dark walnut), mix-and-match, CXT post sleeves, balusters and post caps will create a look you’ll love.

**RAILING**
Available in black, dark walnut and white
A  CXT Classic Top Rail Profile
   6’ and 8’ lengths
B  CXT Classic Bottom Rail Profile
   6’ and 8’ lengths
C  CXT Architectural Rail Profile (composed of 2 Classic Kits)
   6’ and 8’ lengths

**POST SLEEVES & TRIM**
Available in black, dark walnut and white
E  4-9/16” Traditional
   40”, 54” and 115” heights
F  5-1/2” Paramount
   40” and 54” heights
G  4-9/16” and
   5-1/2” Classic Trim

**POST CAPS**
Available in black, dark walnut and white

**RAIL CONNECTORS**
Available in black, dark walnut and white
A  CXT Classic Line Connectors
B  CXT Architectural Line Connectors
C  CXT Classic Stair Connectors
D  CXT Architectural Stair Connectors

Select kits are available with factory-installed baluster connectors for quicker, easier installation.

**RAIL CONNECTORS**

**2-in-1 Railing**
Use one rail kit to create the Classic rail, use two railings together to create our Architectural rail. The Architectural rail style is compatible with all Deckorators baluster styles.

**COMPATIBLE BALUSTERS**
See options on pages 14-15

**COLOR SWATCHES**

**Designer tip**
Use a Traditional post sleeve for standard railings. For a statelier look, use Paramount post sleeves at the end of stairways or long runs.
CXT Pro Railing

CXT Pro allows you to design a railing system that’s perfectly suited to your taste. The versatility of this railing lets you mix and match rails, post sleeves, balusters and post caps for endless style and design possibilities. Simply choose your rail profile, customize your baluster infill, pick your post sleeves, and top it off with your favorite decorative post caps.

New 2015

Available in 6-ft and 8-ft lengths, and 36” height, our three color options come in a variety of finishes to ensure your railing is exactly what you’re looking for. The durable, yet minimal aluminum railing profile won’t obstruct your view and rails come predrilled for proper baluster spacing. The narrow 2.5” posts anchor directly to your deck structure and include a matching post cap and base trim.

ALX Pro

This railing system, with a robust profile and an eye-catching appearance, is available in 36” and 42” rail heights and 6’ and 8’ lengths. Full 4x4 post sleeves slide over treated 4x4s for remodels or new projects. Rails are sold in mix-and-match kits and colors. Bracket kits are available for stair rails and for rail angles of 22.5 to 45 degrees. These aluminum railings are designed to work with all Deckorators baluster styles and are backed by a Lifetime Limited Warranty on manufacturing defects and powder coating and 25-year removal and replacement warranty.

Innovative design
With our cap and insert rail system, you can add a decorative cap rail with no visible fasteners.

### Style tip

Our powder-coated baluster accessories add distinction to your deck railing.

Solar Baluster Lights are an easy way to add nighttime interest. Because they install around the baluster, they can be used to update existing railings.

### GET THIS LOOK

Black ALX Pro railing with cap rail, black Classic balusters with black Classic collars and black Solar Baluster Lights and black Solarband post caps.
Decorative post caps that fit your style.

Deckorators post caps add the crowning touch to any deck railing. Post caps are available in illuminated and nonilluminated styles, jewel tones and Tiffany-style glass, filigree motifs, distressed looks and planters. With so many choices, you’re certain to find accessories that suit your unique style.

With many decorative caps available in solar, you can add nighttime interest to outdoor spaces without wiring or electricity.

DECORATIVE POST CAPS

VersaCaps™: get the right fit

Add pizzazz to deck railings with decorative post caps—one of the most prominent features of any outdoor living space. Deckorators® VersaCaps let you top posts beautifully, no matter the size, with an array of styles and multiple colors.

Each 4x4 VersaCap comes with three removable collar inserts nested inside the base. Fit the cap snugly atop any post ranging from 3-1/2" to 4-5/8" square simply by removing the necessary number of inserts. The 6x6 solar VersaCap includes two inserts to fit post sizes between 5" and 5-1/2" square.

VersaCaps add style to posts made of wood, vinyl or composite, and work with our CXT post sleeves and most leading post sleeves on the market.

Low Voltage VersaCaps

Low Voltage VersaCaps eliminate the need to sacrifice the beauty of low-voltage lighting for a post cap that fits. Now you can have both. Experience the ambiance offered by LED accents on almost any size post while choosing the style that best fits your design.
Deck safety made simple

Perfect for homes with small children or seniors, this attractive, highly versatile, graspable handrail is ideal for meeting special building codes.

Made of heavy-gauge aluminum and durable PVC, the system includes five different radius elbows and several styles of returns to meet every possible installation.

The railing is available in four colors (black, white, adobe and tan) that complement popular siding and trim products used in new home and building construction.

Low Voltage Lighting Clip System

Deckorators newest line of low-voltage lighting products features a straightforward clip system, making installation of outdoor lighting projects simpler and quicker than ever. Each component’s clip simply plugs into a junction box. This system includes lighting for tops and sides of posts, rails and decks, as well as everything needed to connect to a low-voltage power system. All lighting components feature warm, white LED lights. We also offer a converter clip, which allows almost any low-voltage light source to be installed with our system.

A. JUNCTION BOX
• Disperse power from a low-voltage transformer to the light sources
• Six outlets to power up to six individual lights

B. DECK LIGHTS
• Illuminate decks and stair risers
• Stair lights available in black and white

C. POST SCONCE LIGHTS
• Stylish bow tie shape shines in two directions
• 2” and 4” sizes, in black and white

D. UNDER-RAIL STRIP LIGHT
• Connects to the underside of a bottom rail
• 24” long

E. POST CAPS
• Protect and illuminate the top of posts
• Available in multiple sizes and colors to fit an array of posts

Style tip: Install Estate or Classic balusters in combination with lighted balusters using mounting hardware, available in black and white.
Deckorators Plastic Lattice

Durable, sturdy lattice that won’t rot, split or peel provides attractive skirting under decking and adds a cozy, semiprivate feeling to outdoor seating areas, outdoor kitchens and more.

Paintable Lattice

Deckorators introduces our exclusive new paintable lattice. Easy-to-apply primer and plastic aerosol paint lets you color-match your project to complement any indoor or outdoor living space.

Deckorators Vista™ Sandalwood decking with textured white ALX Classic railing, textured white Estate balusters and white Classic Diamond lattice
